Please arrive punctually. Please prepare your child so they are not surprised and upset to have to do some tests (especially younger students)

Parents are not allowed to help or watch the assessment so please drop off your child and leave once I have filled in your details.

Maths score

These tests are standardised maths tests and are adjusted according to your child's age. The national average is 100

Guide (general observations)

Below 100- not suitable for private school mathematics exams.

100-110 - adequately numerate - not a likely candidate for the most academic schools

110-120 - good numeracy skills and borderline for the most academic schools

120+- advanced numeracy skills for age- candidate for academic schools
